

Money on the account within two days

ALL YOU NEED IS A SIMPLE PAYMENT TERMINAL. THE MONEY IS ON YOUR ACCOUNT AND YOU NO LONGER NEED TO WASTE YOUR TIME BY COUNTING MEAL VOUCHERS.

 **eStravenka**

ELECTRONIC MEAL VOUCHERS

eStravenka works in the same way as a classic payment card from Mastercard. Its operation is simple and all you need is a standard payment terminal.

The money will be credited to your account within 2 days without any further acts necessary. The transactions are listed in one report along with other payments by card. All you need to be added in the system is a merchant's number.

BENEFITS OF ESTRAVENKA FOR PARTNERS

Money on the account within two days

Mastercard processes your payments before you compile the third lunch menu.

Great time saving

You don't need to collect lunch vouchers, count them or send them for reimbursement. You know, time is money...

A payment terminal is enough

eStravenka is from Mastercard. That means it works like any other standard payment cards.
