## Cadhoc

— **Gift voucher:** Cadhoc is the most popular gift voucher and lets the recipient to choose exactly the goods or services they want.

— **Tax benefits:** Cadhoc is not subject to employee's taxation. No social security or health insurance payments are required up to CZK 2,000 per year per employee.

— **Motivation of business partners:** Suitable for sales support, loyalty programmes and customer competitions.

### #01

We recommend Cadhoc if you want to reward someone for their work and give them freedom to choose how they want to spend it. The choice between services or goods is completely up to them.

### #02

Cadhoc can be issued in any face value. The employee's name, your logo or address can be printed on the envelope or added to the vouchers.

### #03

Get access to exclusive discounts from our partners thanks to application Můj Up. You can register via scanning the QR code from any voucher or visit our website [www.mujujup.cz/mojeslevy](http://www.mujujup.cz/mojeslevy).

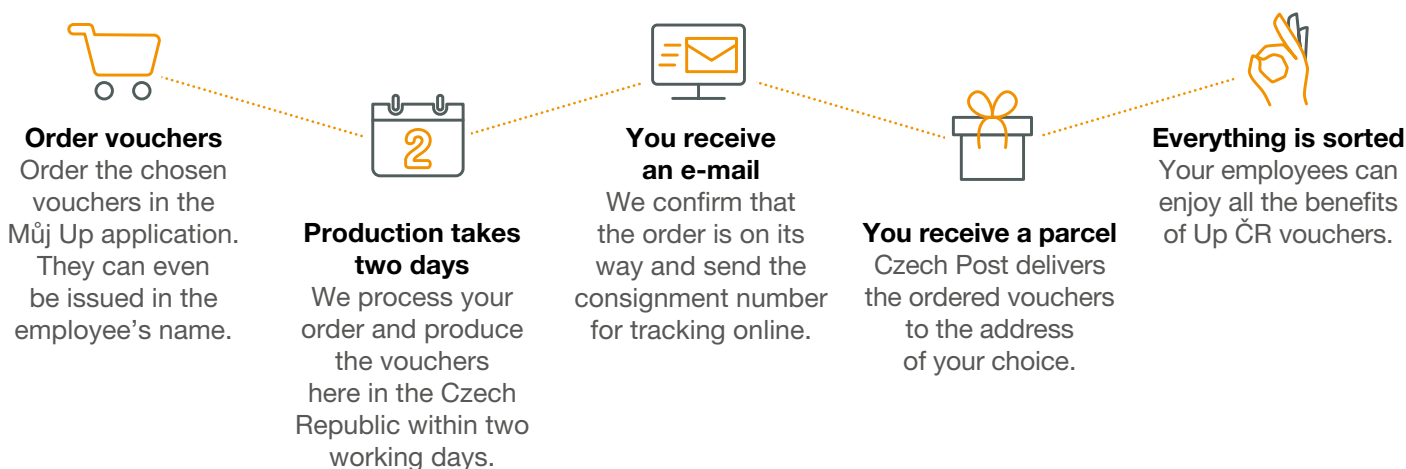

## EXAMPLE OF SAVINGS FOR EMPLOYERS AND EMPLOYEES

You can offer your employees a financial bonus, such as a pay rise, or you can give them benefits from us. Calculate which of these two options would work better for everyone.

COMPARE THE TWO ALTERNATIVES	Salary bonus CZK 2 000	Cadhoc CZK 2 000
Employer pays:	CZK 2 680	CZK 2 380
Employee receives:	CZK 1 378	CZK 2 000
Employer saves:	CZK 0	CZK 300
Employee gets an additional:	CZK 0	<b>CZK 622</b>

The calculation is based on a contribution to the value of CZK 2 000.
