

Unišek+

For a holiday, a cinema,
a theatre or a water park?
The choice is entirely yours.

Wide range of uses

Unišek+ can be used as a contribution towards a holiday, purchases in pharmacies, books, culture, sports or education.

Tax efficient

Unišek+ is not subject to employee income tax and no social security or health insurance contributions apply up to the annual statutory limit per employee.

Extensive partner network

Unišek+ is accepted at more than 13,000 locations across the Czech Republic.

01

Employees choose their leisure activities themselves. The leisure benefit voucher is valid for up to 26 months.

02

Unišek+ is a universal voucher intended for everyone who wants to provide employees with the widest possible range of employee benefits.

Example of savings for employers and employees

You can increase your employees' income by raising their salary or by providing benefits from us. Calculate which of these two options is more advantageous.

Compare the two options

☐ Salary bonus of CZK 20 000

Order vouchers

In the Můj Up app, I order the vouchers of my choice. They can also be issued in the employee's name.

Produced within two days

We process your order and produce it in the Czech Republic within two working days.

I receive an email

We confirm that your order is on its way and send you a shipment number for online tracking.

I receive the package

The ordered vouchers are delivered by Czech Post to the delivery address of your choice.

I'm all set

Employees enjoy all the benefits of Up Benefit vouchers.

Leave paper vouchers in the past. Switch to digital eBenefity and give your employees the convenience of a modern solution.

- A wide range of eBenefity uses at 36,000 locations.
- The mobile app shows your card balance and places where you can use your benefits nearby. Plus, it is always at hand.
- Fast and convenient payments with Apple Pay or Google Pay on mobile phones and smart watches.
- A cleaner conscience and a cleaner world around us. What used to be on paper is now available on a payment card and in a mobile app.
